

SAFEGUARDING POLICY STATEMENT FOR PERRY BAPTIST CHURCH

DEFINITIONS OF TERMS

There is no standard single definition for an adult at risk, so for our policy we are using the following simple definition taken from CCPAS (Churches' Child Protection Advisory Service): 'Any adult aged 18 or over who due to disability, mental function, age, illness or traumatic circumstances may not be able to take care or protect themselves against the risk of significant harm, abuse, bullying, harassment, mistreatment or exploitation'.

Our vision

The vision statement of **Perry Baptist Church** is: *We exist to share the good news of Jesus Christ with the people of Perry and surrounding district. We meet for worship and fellowship and as such we extend a warm welcome to all residents of Perry and beyond.*

In fulfilling this vision, we:

- Welcome children, young people and adults at risk into the life of our community
- Will run activities for children, young people and adults at risk
- Make our premises available to organisations working with children, young people and adults at risk

Our safeguarding responsibilities

The church recognises its responsibilities in safeguarding all children, young people and adults at risk, regardless of gender, ethnicity or ability.

As members of this church we commit ourselves to the nurturing, protection and safekeeping of all associated with the church and will pray for them regularly. In pursuit of this, we commit ourselves to this policy and to the development of sound procedures to ensure we implement our policy well.

- **Prevention and reporting of abuse**

It is the duty of each church member to help prevent the abuse of children, young people and adults at risk, and the duty of each church member to respond to concerns about the well-being of children, young people and adults at risk. Any abuse disclosed, discovered or suspected will be reported in accordance with our procedures. The church will fully co-operate with any statutory investigation into any suspected abuse linked with the church.

- **Safer recruitment, support and supervision of workers**

The church will exercise proper care in the selection and appointment of those working with children, young people and adults at risk, whether paid or voluntary. All workers will attend Safeguarding training, support and supervision to promote the safekeeping of children, young people and adults at risk.

- **Respecting children and adults at risk**

The church will adopt a code of behaviour for all who are appointed to work with children, young people and adults at risk so that all children and adults are shown the respect that is due to them.

- **Safer working practices**

The church is committed to providing an environment that is as safe as possible for children, young people and adults at risk and will adopt ways of working with them that promote their safety and well-being.
